OFFICE OF THE SUPERINTENDENT
UNITED STATES MILITARY ACADEMY
WEST POINT, NEW YORK 10996-5000

Dear Parents of Cadets in the Class of 2010:

I am pleased to invite you, your family, and friends to West Point for the Class of 2010 Graduation Week. This very special event is an opportunity for you to share in the excitement of your cadet's achievements and to see the Class of 2010 join the commissioned Officer Corps.

This week's activities begin on Tuesday, May 18, culminating in the graduation ceremony at Michie Stadium on Saturday, May 22. The ceremony begins promptly at 10 a.m. Please be prepared for possible inclement weather, and arrive with ample time to pass through security at the gate and the stadium.

This booklet will help you plan for all Graduation Week events. Our post newspaper, The Pointer View, will publish a special event update, available free of charge at locations throughout West Point. Additionally, we will maintain a current schedule of all events on our home page, on line at www.westpoint.edu.

For your safety, as well as that of our cadets and community, we conduct routine vehicle security checks at our entry gates. We also limit parking near the cadet area. Please take full advantage of the post shuttle bus service established for your convenience this week. Additionally, allow yourselves ample time to get through the gates and remember that all guests 16 years of age and older must possess government issued photo identification at all times.

Best wishes from West Point. We look forward to seeing you for a most pleasant and memorable event!

Sincerely,

A handwritten signature in black ink, appearing to read "F.L. Hagenbeck".

2010 USMA Graduation Security Information

West Point is operating under a heightened security posture. All visitors must enter through Thayer Gate or Stony Lonesome Gate only and should expect minor delays. All persons 16 and older are required to show the contract security guards at the installation gates a valid, government issued photo ID and must keep have the identification in their possession at all times. All vehicles entering the installation are subject to being searched, this includes Department of Defense (DoD) decaled vehicles. Visitors planning on attending the many events associated with graduation week are strongly encouraged to use the installation shuttle system as parking is severely limited.

On graduation day all visitors must pass through metal detectors prior to entering Michie Stadium. Please ensure you arrive early to allow time to pass through security at the stadium entrances. The following items will not be allowed into the stadium: large bags, backpacks, coolers, umbrellas and all beverage containers (glass or plastic). Please plan accordingly.

Safety and security are of paramount concern not only during graduation week activities, but every day on West Point. As guests of West Point and the United States Military Academy we ask for your vigilance while you enjoy the graduation week activities. Your help in the detection and reporting of criminal activities will help ensure that this year's graduation is a success. Anyone observing suspicious behavior or activity is urged to promptly report it to the West Point Military Police at the below number. Using this simple format will help to ensure the needed information is obtained for your call:

WHO did you observe?

WHAT did you see? Be specific.

WHERE did you see it?

WHEN did you see it?

WHY is it suspicious?

REMEMBER, IF YOU SEE SOMETHING,
SAY SOMETHING!

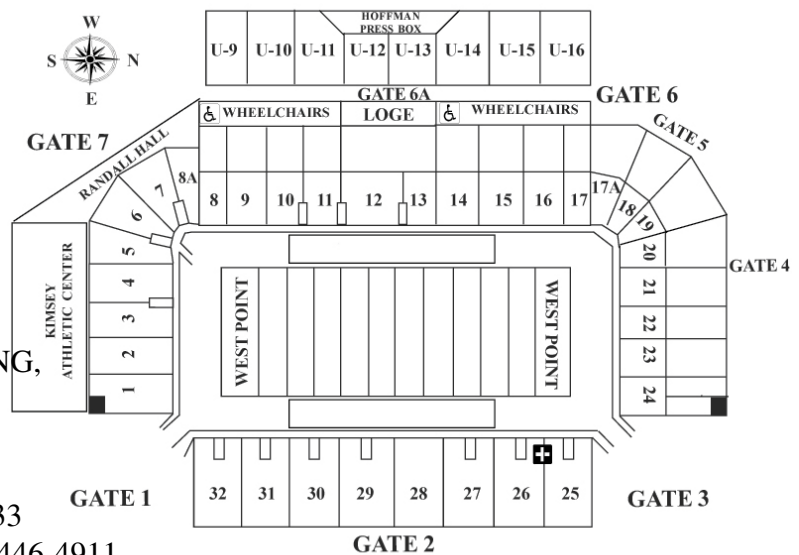

Emergency contact numbers:

West Point Military Police (845) 938-3333

Highland Falls Police Department (845) 446-4911

Graduation Day only – West Point Emergency Operations Center (845) 938 -6909

Graduation Week Parking

The West Point Military Reservation continues to operate under heightened security. All visitors should use Stony Lonesome Gate or Thayer Gate to enter the installation. Visitors are required to use the shuttle bus service from the upper parking lots for Graduation Week 2010 events.

Visitors can expect possible traffic delays while entering the installation. All adult visitors ages 16 and older must have a valid photo identification in their possession at all times while on West Point.

The recommended Recreational Vehicle area is located at Round Pond (845-938-2503). However, during Graduation Week, North Dock, located by Gillis Field House, has been identified as an additional RV area to handle overflow. A limited number of spaces are available at a nominal fee. All RVs must register at Round Pond due to enhanced security requirements and will be inspected upon entering the installation. The RVs must be self-contained units, as there are no hook-ups at North Dock. Failure to register will result in your RV being removed.
